

Education is the process of facilitating learning or the acquisition of knowledge, skills, values, beliefs and habits. It doesn't mean merely to procure certificates rather an endeavour to create a good human being in this rapid changing world where erosion of values is not given much thought and success is measured in terms of wealth. The definition of a good institution is its teaching standard, healthy environment, robust administration and range of the students.

TATA DAV Public School is an enduring legacy of excellence in education. It is an emerging leader in the spectrum of education with a difference. Our school started its glorious academic journey in 1988. It still continues having crossed many milestones with splendid glimpses of success. We follow CBSE syllabus and the school is affiliated up to senior secondary level both science and commerce. The school has achieved substantial growth over the years and created many flag bearers who brought laurels of name and fame in diverse fields.

The academic standard is the identity and hallmark of this institution. Our prodigies are working in different nooks and corners of the world. The institution has honed and fine tuned a learning and life skilling system that has been envied and bench marked across the state. We teach our students gospel of discipline which is a milestone on the national highway of our institution.

We believe that nothing is impossible because a person with positive frame of mind can change the tide of time with his hard work. This ideology is ingrained in every learner who has been nestled in the bosom of TATA DAV Public School, Noamundi. Our students are groomed and nurtured in such a way that they can stride into the adult world very confidently, responsibly, independently with glittering character and potential personality.

We are very much glad to nourish tiny fledglings nestled in our care and unleash the confidence in them to soar on the wings of imagination into the world where the sky is no longer the limit. Moreover, beyond the sky lies a brand new world of enthusiasm, enchantment, opportunities and dreams that are just waiting to be discovered. Our sole aim is to develop in our students, qualities like honesty, integrity, compassion, patience, leadership, spirit of enquiry, foster scientific temper within the bonds of humanism, commitment to the motherland and especially moral values.

Every child is like a seed which has the potential to grow if it is nourished with care under the right guidance. Apart from excel in academics we also focus on courtesy, discipline, smart personality, social sensitivity, traditional values and culture of our country. Childhood is the best time to lay foundation of the core values essential for overall development of the better citizens of tomorrow. Our school is a place where each and every student is understood, valued and attended too.

Our students are provided with state-of-art facilities including well equipped labs, language lab., resourceful library, digital classrooms, Sports, Yoga, Cultural activities, debate, seminars, spoken English classes and a holistic learning experiences for life. Our campus language is English.

This nascent institution has successfully integrated scientifically planned curriculum. Myriad opportunities have been created for self analysis, creativity, critical thinking, coupled with spiritual and emotional well being through empathizing with real life situations.

The lush green fertile soil of TATA DAV Public School, Noamundi is blessed with a vibrant team of qualified, trained, experienced and incredibly committed teachers who are able to translate the dreams of parents into reality. Our teachers prepare roadmap of the students' future. The one way traffic journey of life never gives second chance to grab ocean of opportunities and achieve pinnacle of success. Quality teaching has always been the core strength of the school. Our teachers prepare the students to face the future challenges with resilience in a dynamic and technology driven world. Teachers are like potters moulding the pliable clay which comes to them in raw form. Grooming and shaping young impressionable minds is a pretty daunting task. They replenish the resources and help our students to tread towards limitless boundaries through exhaustive and in depth process.

The school has made it possible to create a platform that would best support in achieving individualised attention and supervision. I thank the parents who have reposed faith in our institution. Let me assure you that your loved ones are in the safe hands. Our staff members understand the ethos of the school and helping relentlessly our students to walk an extra mile.

Our journey to excavate a better tomorrow is sincerely guided by Padmashree Dr. PunamSuri, Hon'ble President DAV CMC, New Delhi, Shri. V. Singh, Hon'ble Director PS-(I) and venerated Smt. Rekha Kumari, ARO Jharkhand Zone – L. I pray to God that with this altruistic co-operation and

blessings may we continue to give our students a strong root like white oak and confident wings like an albatross as an impetus to embark upon conquering the whole world!
